

# INDIAN MOTORCYCLE 2021 LINEUP

Indian Motorcycle's 2021 Lineup Delivers Next-Level  
Technology & Robust Suite Of New Accessories –  
Adds Indian Vintage Dark Horse, Roadmaster Limited

## 2021 PRESS KIT

Indian Motorcycle, America's First Motorcycle Company, announces its 2021 model-year lineup. The new lineup, which includes new model iterations, next-level technology upgrades, and a robust offering of genuine Indian Motorcycle accessories, is made available following the brand's strongest sales quarter ever.

"We're extremely motivated by the significant brand momentum we're experiencing, and we're as focused as ever to provide our riders with best-in-class products and experiences," said Reid Wilson, Vice President of Indian Motorcycle. "Our riders are extremely discerning, with high expectations across the board and it's incumbent upon us to stay on the cutting edge in style, performance, and technology. Our 2021 lineup additions and upgraded features are a result of the hard work and dedication we pour into every bike in the lineup."

Developed in direct response to rider feedback, Indian Motorcycle's 2021 enhancements and new offerings span across its Thunderstroke, PowerPlus and Scout lineups.

## NEW MODELS & REDESIGNS

Joining the Indian Motorcycle cruiser lineup is the new Indian Vintage Dark Horse. For riders who want timeless style with a mean attitude, the Vintage Dark Horse comes with soft black leather bags and fully blacked-out styling.

Featuring significant upgrades in 2021, the Roadmaster lineup is better than ever. Apple CarPlay® is now standard across the lineup, while Roadmaster Limited and Roadmaster Dark Horse models feature Indian Motorcycle's all-new ClimaCommand Rogue heated and cooled seat with Ride Command integration.

Joining the Roadmaster lineup is the Roadmaster Limited, which features gloss paint, chrome finishes, a modern fairing design, open front fender and slammed saddlebags. Meanwhile, the restyled Roadmaster Dark Horse includes fully blacked-out finishes for mean and modern attitude. Each model is powered by Indian Motorcycle's powerful, air-cooled Thunderstroke 116 with premium features, including Metzeler® Cruisetec® tires, lower fairings with adjustable airflow vents, heated grips and a push-button adjustable windshield. Standard amenities across the entire Roadmaster lineup include remote-locking saddlebags and trunk with over 37 gallons of combined storage, adjustable passenger floorboards, ABS, cruise control, keyless ignition, tire pressure monitoring and full LED lighting.

## INNOVATIVE TECH

The 2021 lineup boasts new ride-enhancing technology, both as standard equipment and as an upgrade.

### CLIMACOMMAND HEATED & COOLED SEAT

In addition to being standard equipment on the Roadmaster Limited and Roadmaster Dark Horse, Indian Motorcycle's new ClimaCommand heated and cooled seat is also available as an upgrade across all Thunderstroke models. New for 2021, the ClimaCommand seat is available in two style variations, Classic and Rogue, which has more modern, streamlined style. Additionally, the 2021 ClimaCommand seat now allows riders to adjust heating and cooling directly through the Ride Command infotainment system on select 2020 and 2021 models, offering riders a new, and easy way to manage comfort while on the road. With a low, medium, or high setting, the thermoelectric technology is used to independently cool or heat the rider and passenger seat, while a flexible graphene material allows the heating or cooling to disperse through the entire surface area of the seat. The non-perforated seat is 100% water resistant and highly durable. The ClimaCommand seat is available as an added accessory for all 2014 through 2021 Thunderstroke models, though 2020 and 2021 Chieftain and Roadmaster riders can integrate the seat within the bike's Ride Command system.

### APPLE CARPLAY®

Standard on all 2021 Roadmaster, Chieftain, and Indian Challenger models equipped with Ride Command with navigation. Apple CarPlay® delivers an easier, more customized level of control for music, navigation preferences, and mobile device information.

### PATHFINDER ADAPTIVE LED HEADLIGHT & PATHFINDER S LED DRIVING LIGHTS

Available as an accessory upgrade, Indian Motorcycle introduces the all-new Pathfinder Adaptive LED Headlight for most 2015-2021 Thunderstroke models, and Pathfinder S LED Driving lights for most Chieftain, Roadmaster, and Indian Challenger models. The all-new Pathfinder Adaptive LED Headlight senses the bike's lean angle and activates individual LED projector beams to provide unprecedented visibility. With 15 individual beams, and featuring patented, cutting-edge technology that monitors the bike's lean angle in real-time, the Adaptive Headlight delivers unmatched illumination of the road ahead – whether upright and traveling in a straight line or leaned over to carve a turn. In addition, the Pathfinder S LED Driving Lights can be added to complement the Pathfinder Adaptive LED Headlight. With the same superior LED illumination as the Pathfinder Adaptive LED Headlight, riders will benefit with even more nighttime visibility.

## NEW SCOUT COLORS & ACCESSORIES

Indian Motorcycle's robust Scout lineup offers both classically-styled and modernly-mean designs. With a 61 cubic-inch (1000 cc) motor, delivering 78 horsepower, the Scout Sixty and Scout Bobber Sixty are each approachable and attainable with an MSRP starting at \$8,999. Riders looking for more punch can opt for the 69 cubic-inch (1133 cc), 100 horsepower, engine in the Scout and Scout Bobber.

This year's 2021 Scout lineup receives a refresh with new paint colors – further enhancing the iconic style and lines of the bike. Colors like Stealth Gray on the Scout Bobber Twenty and Maroon Metallic Smoke on the Scout Bobber add to the aggressive, low profile look that riders love with Scout Bobber models.

Already a robust line of genuine Scout accessories, Indian Motorcycle is adding even more in 2021. With all-new Scout touring parts, riders can turn their city cruiser into a capable long-haul touring machine. A Scout Bobber low or mid wind deflector protects riders from the elements, while heated grips for all 2017-2021 Scout models keep your hands warm in cold weather conditions. In addition, a new fairing bag and semi-rigid saddlebags add stylish storage options. Finally, a color-matched quick release fairing with a two-inch windshield is available for all Scout models in new 2021 colorways.

Indian Motorcycle's Scout performance upgrades can seriously change the overall attitude of any Scout. Exhaust and muffler options change the aesthetic, while increasing horsepower by over 10% when paired with the performance air intake. Options include the stage 1 2-in-1 full exhaust system and the stage 1 shorty slip-on muffler kit – both available in chrome and matte black.

## *Indian Vintage Dark Horse*

New for the 2021 lineup is the Indian Vintage Dark Horse. The Indian Vintage Dark Horse has a bold presence defined by its matte-finish paint and blacked-out details. Standard features include genuine leather fringed saddlebags, touring chassis with a touring rear air shock, ride modes and rear cylinder deactivation. Other features include ABS, cruise control, keyless ignition, and unrivaled performance from the Thunderstroke 111 V-twin engine. Available in Thunder Black Smoke.

## *Indian Vintage*

The 2021 Indian Vintage is back with classic American style. Chrome wire wheels, white wall tires, and genuine leather seating and fringed saddlebags speak to Indian Motorcycle's iconic heritage. Additional features include quick release windshield, ride modes, rear cylinder deactivation, ABS, cruise control, and keyless ignition. Available in Crimson Metallic and Deepwater over Dirt Track Tan.

## *Indian Springfield*

Pure and classic styling define the Indian Springfield. Standard with ride modes and rear cylinder deactivation, the Indian Springfield maintains rider-favorite features such as the quick release windshield, genuine leather seats, remote-locking saddlebags and adjustable passenger floorboards. ABS, cruise control, keyless ignition and tire pressure monitoring also come standard. Available in Maroon Metallic over Crimson Metallic and Thunder Black over Dirt Track Tan.

## *Indian Springfield Dark Horse*

Turn heads with matte paint with blacked-out finishes, an open fender with 19" 10-spoke contrast cut front wheel, and mid-rise handlebars. The mean look is complimented by an array of amenities including remote-locking hard saddlebags, keyless ignition, cruise control, USB charging, ride modes and rear cylinder deactivation. This year's model comes in Thunder Black Smoke, Sagebrush Smoke, and White Smoke.

## *Chieftain*

Chieftain exists for the riders confident in what they want – aggressive styling with proven performance. A streamlined fork-mounted fairing and slammed saddlebags frame the legendary Thunderstroke 111 engine. Standard features for Chieftain include ride-enhancing technology like ride modes and rear cylinder deactivation. It's also equipped with seven-inch touchscreen (navigation available as upgrade), USB charging, cruise control, ABS, Metzeler® Cruisetec® tires, keyless ignition, and a push-button power windshield. For 2021, the Chieftain is available in Thunder Black.

Ruby Smoke Chieftain Dark Horse shown with Pathfinder Adaptive LED Headlight

## *Chieftain Dark Horse*

Featuring the commanding Thunderstroke 116, the 2021 Chieftain Dark Horse offers ride-enhancing amenities including Ride Command with Apple CarPlay® integration, selectable ride modes, rear cylinder deactivation, and new Metzeler® Cruisetec® tires. Other standard amenities include ABS, cruise control, highway bars, remote-locking saddlebags, tire pressure monitoring and full LED lighting. Exacting attention to detail in paint and fully blacked-out finishes provide a premium, custom look. Chieftain Dark Horse is available in three paint schemes: Thunder Black Smoke, Ruby Smoke, and Titanium Smoke.

## *Chieftain Limited*

The Indian Motorcycle Chieftain Limited provides premium finishes, modern technology, and overall highlights American craftsmanship. Standard features include Ride Command with Apple CarPlay® integration, selectable ride modes, rear cylinder deactivation, new Metzeler® Cruisetec® tires, ABS, cruise control, highway bars, remote-locking saddlebags, tire pressure monitoring and full LED lighting. The Chieftain Limited comes in two colorways for 2021: Thunder Black Pearl and Radar Blue.

## *Roadmaster*

The Roadmaster was built for the riders looking for the gold standard in comfort and ride. The 2021 Indian Roadmaster featuring the Thunderstroke 116 with chrome finishes, Ride Command with Apple CarPlay® integration, rear cylinder deactivation and ride modes. Standard amenities include multi-setting heated seats and grips, remote-locking saddlebags and trunk, adjustable passenger floorboards, ABS, cruise control, keyless ignition, tire pressure monitoring, full LED lighting, and lower fairings with adjustable airflow vents. Roadmaster is available in Thunder Black Pearl, Maroon Metallic with Crimson Metallic, and Alumina Jade with Thunder Black.

## *Roadmaster Dark Horse*

A blacked-out, mean, aggressive attitude is what defines a Dark Horse. For 2021, Roadmaster Dark Horse gets a fully blacked-out design to compliment the matte color scheme. The Roadmaster Dark Horse is powered by the Thunderstroke 116 and includes premium features like a ClimaCommand Rogue heated and cooled seat, Ride Command with Apple CarPlay® integration, Metzeler® Cruisetec® tires, touring trunk, lower fairings with adjustable airflow vents, heated grips and a push-button adjustable windshield. Standard amenities include remote-locking saddlebags and trunk, adjustable passenger floorboards, ABS, cruise control, keyless ignition, tire pressure monitoring and full LED lighting. Three matte paint options are available: Thunder Black Smoke, White Smoke, and Bronze Smoke.

## *Roadmaster Limited*

New to the 2021 Indian Motorcycle lineup is the Roadmaster Limited – featuring premium finishes and comfort. ClimaCommand Rogue heated and cooled seat, Ride Command with Apple CarPlay® integration, Metzeler® Cruisetec® tires, touring trunk, lower fairings with adjustable airflow vents, heated grips and a push-button adjustable windshield are all factory on the Roadmaster Limited. Standard amenities include remote-locking saddlebags and trunk, adjustable passenger floorboards, ABS, cruise control, keyless ignition, tire pressure monitoring and full LED lighting. Available in two colors: Crimson Metallic and Thunder Black Azure Crystal.

## *Indian Challenger*

With its debut in 2020, the Indian Challenger is back and ready to push the limits of modern motorcycle craftsmanship. The liquid-cooled 108 cubic-inch PowerPlus engine delivers a class-leading 122 horsepower and 128 ft-lbs of torque. Standard on the Indian Challenger is an adjustable rear Fox® shock, Brembo® brakes, Metzeler® Cruisetec® tires, ABS, cruise control, and ride modes to ensure a smooth, confident ride. Menacing styled LED headlights, slammed remote-locking saddlebags, and 100-watt fairing speakers keep you riding in style for the long haul. For model year 2021, the Indian Challenger comes in two colorways: Thunder Black and Titanium Metallic Smoke.

## *Indian Challenger Dark Horse*

The Indian Challenger Dark Horse was designed for riders who want class-leading technology with superior styling. The Indian Challenger Dark Horse offers premium technology features like Smart Lean Technology, Ride Command with connected services and Apple CarPlay® integration, and a tire-pressure monitoring system. Aggressive LED lighting, lit front headress, puddle lights, a 19-inch sport contrast cut wheel, gloss black dash, and matte paint with blacked-out finishes make this bike stand out from the pack. Available in Thunder Black Smoke, Bronze Smoke, and White Smoke.

## *Indian Challenger Limited*

The Indian Challenger Limited features the same cutting-edge technology as the Indian Challenger Dark Horse: Smart Lean Technology, Ride Command with connected services and Apple CarPlay® integration, and a tire-pressure monitoring system. The chrome finishes, engine badging and highways bars, coupled with shiny gloss paint, give the Indian Challenger Limited a sleek look that commands attention. LED headlights, color matched saddlebag closeouts, a 19-inch sport contrast cut wheel and fairing speakers finish off its premium styling. For 2021, the Indian Challenger Limited comes in Thunder Black Pearl, Deepwater Metallic, and Ruby Metallic.

QUICK RELEASE TRUNK

## NEW ACCESSORIES

### CLIMACOMMAND HEATED & COOLED SEATS

The rider and passenger both enjoy a comfortable ride in all conditions. These well-cushioned seats provide adjustable heating and cooling controls both on the side of the seat, as well as through the Ride Command display. Passenger Armrest Pads and a Trunk Backrest Pad, both with coordinated styling, are also available (each sold separately).

### PATHFINDER ADAPTIVE LED HEADLIGHT

Monitors lean angle real-time to deliver optimized illumination. 15 individual beams activate as needed. Optimized lighting in both low-beam & high-beam. Reduces glare from road and directs light where you need it.

### PATHFINDER S LED DRIVING LIGHTS

3.5-inch diameter. Powerful, long lasting LED lighting elements. Increases visibility of motorcycle.

### LOW PROFILE QUICK RELEASE PASSENGER Sissy BAR AND BACKREST PAD

This Low Profile Quick Release Passenger Sissy Bar provides a passenger with enhanced comfort and support without diminishing the bike's appealing style. This steel back stop provides reliable support to keep the passenger comfortably in place on the seat. With cushioned Backrest Pad options the pad design also complements the seat's appealing style. The black vinyl cover material matches the seat covers of original equipment and accessory seats.

### POWERBAND AUDIO- NEW FOR INDIAN CHALLENGER

With PowerBand Audio, riders can choose from audio configurations that are up to 50% louder than stock audio. The system is engineered with an integrated amp on each speaker (no additional amps required) and is fully integrated with Ride Command so that when PowerBand Audio speakers are installed, Ride Command automatically recognizes the upgrade and takes the equalizer from 5 bands to 9 bands with additional pre-set options and loudness control. Riders can choose between PowerBand Audio (fairing upgrade) and PowerBand Audio Plus (fairing and saddlebag upgrades).

### QUICK RELEASE TRUNK FOR INDIAN CHALLENGER

Increase your storage and organize your possessions with simple-to-install trunk accessories. Each trunk has ample storage space, enough to hold two full-face helmets. These trunks feature exceptional color-matched paint options, extra comfort for a passenger and are the perfect addition to any ride and is now available for the Indian Challenger.

# PERFORMANCE ACCESSORIES

## PERFORMANCE ACCESSORIES

Indian Motorcycle's 2021 lineup of performance accessories for the Thunderstroke 111, Thunderstroke 116 and Powerplus significantly modify the overall look, sound, and performance of each engine. Riders will choose their performance upgrade by starting with the stock engine and pick the best stage kit that fits their riding style.

## *Scout Sixty*

The Scout Sixty packs a 60-cubic-inch, liquid-cooled V-twin that delivers 78 horsepower and 65ft-lbs of torque. Classic fleet-sided fenders, blacked-out engine, and a new primary cover for 2021 give the Scout Sixty a timeless, heritage-inspired design. Color options for 2021 include Thunder Black and Ruby Metallic – all standard with ABS. Riders will also have a non-ABS option available in Thunder Black.

## *Scout*

The iconic Indian Scout features a 69-cubic inch, liquid-cooled V-twin that puts out 100 horsepower and 72 ft-lbs of torque. The Scout comes from the factory with a sport seat and passenger pegs for convenient two-up riding. The Scout is adding Maroon Metallic over Crimson Metallic to its colors while continuing to offer Thunder Black, Deepwater Metallic, and White Smoke. ABS is standard on all color options, with non-ABS available in Thunder Black.

## *Scout Bobber Sixty*

The Scout Bobber Sixty is powered by the same 60-cubic inch, liquid-cooled V-twin as the Scout Sixty. With 78 horsepower and 65ft-lbs of torque, the Scout Bobber Sixty provides enough power to match its aggressive look. A stripped-down headlight, blacked-out engine, modern tank badge, and an updated primary cover give the Scout Bobber Sixty an intimidating silhouette. Color options for 2021 include Thunder Black (ABS or non-ABS available), Thunder Black Smoke (ABS), Blue Slate Smoke (ABS), and Titanium Metallic (ABS).

## *Scout Bobber*

The Scout Bobber is powered by the same 100-horsepower engine as the Scout, but features a black-out, stripped down look and a more aggressive riding position. The chopped fenders, low-rise handlebar, side-mount license plate, and updated primary cover deliver a mean, old-school look that commands attention. Two bold new colors are available for 2021 – Alumina Jade Smoke and Maroon Metallic Smoke. Other available colors are Thunder Black, Thunder Black Smoke, and White Smoke. All colors come standard with ABS, with non-ABS available in Thunder Black.

## *Scout Bobber Twenty*

The “Twenty” in Scout Bobber Twenty pays homage to the original 1920 Scout. Modern technology paired with stripped down, minimalist Bobber style and a dose of classic heritage provide the perfect blend of old-school design and modern function. Wire wheels, mini-ape handlebars, and low-profile solo seat provide a comfortable ride and classic style. Scout Bobber Twenty comes in four colors: Thunder Black (ABS and non-ABS), Thunder Black Smoke (ABS), Sagebrush Smoke (ABS), and new for 2021, Stealth Gray (ABS).

## TOURING

With all-new Scout touring parts, riders can turn their city cruiser into a capable long-haul touring machine. A Scout Bobber low or mid wind deflector protects riders from the elements, while heated grips for all Scout models keep your hands warm in cold weather conditions. In addition, a new fairing bag and semi-rigid saddlebags add stylish storage options. Finally, a color-matched quick release fairing with a two-inch windshield is also available for all Scout and Scout Sixty models.

## STYLE & FUNCTION

With a full range of accessories tailored to the Scout and Scout Bobber, the possibilities are endless. Increase storage with multiple bag options, improve handling with different wheels or suspension and change the style with seats, exhausts and lighting. We have whatever you need to make your Scout or Scout Bobber all yours.

## SCOUT FAMILY PERFORMANCE LINEUP

STAGE 1 STRAIGHTS SLIP-ON EXHAUST KIT 

STAGE 1 SHORTY SLIP-ON MUFFLER KIT 

STAGE 1 2-INTO-1 FULL EXHAUST SYSTEM 

PERFORMANCE AIR INTAKE 

**Over 10% Increase in Horsepower**

Increase in horsepower is measured over stock engine configurations.

 This kit meets EPA and CARB emission limits. Non-competition street use on motorcycles subject to USEPA noise limits & may violate federal noise limits.

## SCOUT BOBBER LOW & MID WIND DEFLECTORS

### IMPROVED STYLE AND FUNCTION

The Low and Mid Wind Deflector help a rider stay fresher to ride longer. The Low has 82% tint and is 10" tall, the Mid has 15% tint and 13" tall, these strong, durable polycarbonate wind deflectors can be installed quickly and easily using the sturdy mount (sold separately).

## 3-SETTING HEATED GRIPS

### WARM, WARMER, WARMEST

Extend your riding season with the warm comfort of these 3-Setting Heated Handlebar Grips. These grips offer a choice of three heat levels (Lo/Med/Hi) and the control is conveniently integrated in the grip. These Thunder Black grips provide a sure grip in all riding conditions.

## QUICK RELEASE FAIRING & VINYL FAIRING BAG

### INSTANT STYLE, ALL-DAY COMFORT

This quick release fairing adds color-matched custom style along with excellent wind and weather protection that can keep a rider fresher longer. This fairing can be installed or removed in seconds – without tools – with integrated quick release technology. The fairing is styled to complement the bike's design, and it comes with a low, 2-inch-tall tinted windshield. Accessory 5-inch and 7-inch tinted windshields are also available (sold separately). Pair the fairing with the Vinyl Fairing Bag for to add ideal storage. Perfect for holding items such as a cell phone, water bottle, gloves, glasses, and more. The bag's compression-molded vinyl cover maintains its shape, and the bag's interior is ballistic black vinyl that provides contents with weatherproof protection.

## QUICK RELEASE SEMI-RIGID SADDLEBAGS

### QUICK RELEASE CARGO, MODERN STYLE

These stylish quick release semi-rigid saddlebags install in seconds without tools and add convenient, water-resistant cargo space to your bike. They have a roto-molded interior bucket that holds its shape even when empty, and are covered in a durable, black all-weather vinyl. The lid is hinged in the front and it latches securely in the rear. These saddlebags deliver outstanding value and have room enough to hold the essentials. They feature modern styling, contrast stitching, and Indian Motorcycle script logos. They mount on quick release accessory mounting spools (required, sold separately).

TWIN POCKET PLAID SHIRT

MERINO ZIP THRU

## APPAREL

Indian Motorcycle is more than a brand name. It's a symbol of everything we stand for. A rich heritage that, since 1901, has focused on one thing: the ride. With Indian Motorcycle apparel, we stand united in that belief. T-shirts, jackets, boots, hats, helmets and more. Whether you're riding or not, you can wear your heart on your sleeve. Check out the full line of rider-tailored gear and apparel at a local dealer or [www.IndianMotorcycle.com](http://www.IndianMotorcycle.com).

### DENTON LEATHER JACKET

A contemporary black diagonal zip leather riding jacket with padded, stitched details. Vents and removable lining make this highly versatile.

### MEN'S & WOMEN'S ARIZONA MESH JACKET

A lightweight mesh riding jacket for maximum airflow with a light removable windproof liner.

### TWIN POCKET PLAID SHIRT

A comfortable plaid shirt with embroidered and printed details.

### WOMEN'S MERINO ZIP THRU

Keep warm in the cold and cool in the heat. Fit and features provide ultimate comfort and breathability.

## SCOUT 100<sup>TH</sup> APPAREL RANGE

The first Indian Scout motorcycle was built in 1920 and the updated model is still being built today. Celebrate the history and the 100th Anniversary of an icon with this collection of apparel.

## ENGINE: THUNDERSTROKE 111

Engine Type	49° V-Twin
Transmission	6-speed/constant mesh/foot shift
Battery	12 volts / 18 amp/hour, 310 CCA
Bore x Stroke	3.976 in x 4.449 in (101 mm x 113 mm)
Charging System	42 amp max output
Clutch	Wet, multi-plate
Compression Ratio	9.5 : 1
Cooling System	Air
Displacement	111 cu in / 1811 cc
Exhaust	Split dual exhaust with crossover
Final Drive	Belt drive, 152 tooth
Fuel Capacity	5.5 gal (20.8 ltr)
Fuel System	Electronic fuel injection, closed loop/54 mm bore
Oil Capacity	6 qts (5.68 ltr)
Primary Drive	Gear drive wet clutch
Torque	119 ft-lbs at 3000 rpm (151 Nm at 3000 rpm)

## SUSPENSION

Front Suspension	Telescopic fork, 46 mm diameter, 4.7 in (119 mm) travel
Rear Suspension	Single shock 4.5 in (114 mm) travel, air adjustable

## CHASSIS

Dry Weight	797 lbs (362 kg)
Ground Clearance	5.6 in (142 mm)
GVWR	1385 lbs (628 kg)
Length	101.7 in (2583 mm)
Rake/Trail	25° / 5.2 in (133 mm)
Seat Height	26 in (660 mm)
Wheelbase	67 in (1701 mm)

## BRAKES

Brake System Type	Individual front and rear control with ABS
Front Braking System	Dual 300 mm floating rotor with 4-piston calipers
Rear Braking System	Single 300 mm floating rotor with 2-piston caliper

## WHEELS & TIRES

Front Tire	Metzeler® Cruisetec® 130/80B17 65H
Front Wheel	Highlight Machine Tour 17" x 3.5" with tire pressure monitoring
Rear Tire	Metzeler® Cruisetec® 180/60B16 80H
Rear Wheel	Highlight Machine Tour 16" x 5.0" with tire pressure monitoring

## COLORS & MSRP\*

Maroon Metallic over Crimson Metallic	\$21,999 US / \$25,999 CAN
Thunder Black over Dirt Track Tan	\$21,999 US / \$25,999 CAN

\*Does not include California emissions. Price subject to change.

Brake System Type	Individual front and rear control with ABS
Front Braking System	Dual Brembo® 320 mm floating rotor with 4-piston calipers
Rear Braking System	Single Brembo® 298 mm floating rotor with 2-piston caliper

## WHEELS & TIRES

Front Tire	Metzeler® Cruisetec®, 130/60B19 66H
Front Wheel	Sport Contrast Cut 19" x 3.5" with tire pressure monitoring
Rear Tire	Metzeler® Cruisetec®, 180/60R16 80H
Rear Wheel	Sport Contrast Cut 16" x 5.0" with tire pressure monitoring

## COLORS & MSRP\*

Thunder Black Pearl	\$27,999 USD / \$34,499 CND
Deepwater Metallic	\$28,749 USD / \$35,249 CND
Ruby Metallic	\$28,749 USD / \$35,249 CND

# SPECIFICATIONS

## ENGINE: LIQUID-COOLED V-TWIN (60 DEGREES)

Engine	DOHC, 4-valves per cylinder, semi-dry sump
Transmission	5-speed, constant mesh / foot shift
Battery	12 volts, 13 amp/hour, 245 CCA
Bore x Stroke	3.661" x 2.898" (93 mm x 73.6 mm)
Charging System	35 amp max output
Clutch	Wet, multi-plate
Compression Ratio	11 : 1
Cooling System	Liquid
Displacement	60 cu in / 999 cc
Exhaust	Split dual exhaust with cross-over
Final Drive	Belt drive, 141 tooth
Fuel & Capacity	91 octane recommended, 3.3 gal (12.5 ltr)
Fuel System	Electronic fuel injection, closed loop / 54 mm bore
Oil & Oil Capacity	SAE 15W60, 4.5 qts (4.3 ltr)
Primary Drive	Gear drive wet clutch
Horsepower	78 hp at 7200 rpm
Peak Torque	65 ft-lbs at 5800 rpm (88.8 Nm at 5800 rpm)

## SUSPENSION

Front Suspension	Telescopic fork, 41 mm diameter, 4.7 in (120 mm) travel
Rear Suspension	Dual shocks, 3.0 in (76 mm) travel, adjustable

## CHASSIS

Dry Weight	523 lbs (237 kg) – without ABS
Ground Clearance	5.7 in (145 mm)
GVWR	988 lbs (449 kg)
Length	91.4 in (2322 mm)
Rake/Trail	29° / 4.7 in (120 mm)
Seat Height	25.6 in (650 mm)
Wheelbase	62 in (1575 mm)

## BRAKES

Brake System Type	Individual front and rear control
Front Braking System	Single 298 mm floating rotor with 2-piston calipers
Rear Braking System	Single 298 mm floating rotor with 1-piston caliper

## WHEELS & TIRES

Front Tire	Kenda® K673F, 130/90-16 72H
Front Wheel	Cast Black 16" x 3.5" (406 mm x 89 mm)
Rear Tire	Kenda® K673, 150/80-16 71H
Rear Wheel	Cast Black 16" x 3.5" (406 mm x 89 mm)

## COLORS & MSRP\*

Thunder Black	\$8,999 US / \$10,999 CAN
Thunder Black (ABS)	\$9,799 US / \$11,799 CAN
Ruby Metallic (ABS)	\$10,299 US / \$12,299 CAN

\*Does not include California emissions. Price subject to change.
